(3) The official in question is only an overseer and it is not known what special qualifications he had for being entertained at a stage when the very question regarding loan and its utility this year is still unsettled. The Municipality has a strong engineering staff and it is rather strange to see that the services of a retired official of the result of an overseer has been found very necessary to prepare some plans and estimates. An official from the existing staff of the Engineering Section could, perhaps, have been placed on Special duty for the purpose the resolution of the Municipal Council is proceeded to be sent in due course. (Through the President)

Sir,

Subject - Entertaining a retired overseer in connection with the working out of the details of the scheme of Dr Talathi for sewage development in Mysore City

---

I write to state that on the suggestion of Dr Talathi Sewage and Compost Development Officer, Government of India who paid a visit to this City in August 1951 and November 1952 a scheme for obtaining a loan of Rs 80,000/- for improving the utilization of sewage water in the Municipal Farm from the Government of India was drawn up as per suggestion of Dr Talathi and sent up to Government for securing the above amount, with this office letter No C2 PR 54 / 52 53 dated 29-7-53

The allotment of the above sum of Rs 80,000/-, having been made by the Government of India, definite proposals were required to be sent up to Government with detailed plans and estimates for the drawal of the loan

As the preparation of the detailed plans and estimates required a survey of the area and taking levels etc beforehand and this required a trained and experienced official, the services of one Sri J S Subba Rao a overseer who was working in this Municipality and retired from 4-8-1951, were enlisted on a remuneration of Rs 75+ DA for a short period from 15-5-1953 The plans and estimates so prepared by him together with the request of the Council for securing to the Municipality a loan

2

of Rs 1,65 000/- as against the original proposal of Rs 30,000/- have been forwarded to you with this office No C2/PR54/52 53 dated 29 7 53 The services of the official have been terminated on 31-7-1953

As the official is put to great hardship arrange-ments have been made to draw and disburse the remuneration of Rs 75+ DA of Rs 20/- to the official from 15-5-1953 by addressing the Auditor to provisionally admit payment of the bill pending sanction of Government The official was drawing a pay of Rs140/- + DA of Rs 22-8-0 per mensem immediately prior to his retirement and he has now been sanctioned a pension of Rs 62-11-0 as per Pensioner's Half No PPO 7/OBA dated 16-5-1953 The pension and the remuneration that the official now gets will not exceed the salary he was getting prior to the date of retirement and will satisfy the requirements of Art 320 of I S.R governing the reemployment of a pensioner after superannuation or pension

A resolution of the Council approving the appoint-ment will be forwarded to you in due course In the meanwhile, I request that orders of Government may kindly be obtained sanctioning the re-employment of the retired official on fixed pay of Rs 75/-+ DA, without loss of pension, Under Art 322 of I S R for the period from 15-5-1953 to 31-7-1953 The cost on this account will, in the first instance be met out of the General Savings under E 11-Sewage Farm and subsequently adjusted to the loan scheme when the loan funds become available

Yours faithfully,

(N Lakshman Rao)
